This is a decision on the petition under 37 CFR 1.28(c), filed January 12, 2006.

The petition is **GRANTED**.

The record reflects that the many of the fees for the above-cited application and subsequent patent were paid at the small entity rate. Petitioner later discovered that the inventive entity did not qualify as a small entity and filed the instant petition, accordingly.

Petitioner has remitted the deficient amount of \$4,036.00.

Pursuant to 37 CFR 1.28(d), the payment of the deficient amount will be treated under 37 CFR 1.27(g)(2) as a notification of a loss of entitlement to small entity status.

The address cited on the petition differs from the address of record. Although a courtesy copy of this decision is being mailed to the address cited on the petition, all future correspondence will be mailed solely to the address of record until appropriate written instructions to the contrary are received.

The application file will be directed to the Files Repository.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3222.
